ALREADY APPLIED TO CSUs FOR SPRING 2025? LOOK OUT FOR SUPPLEMENTAL APPLICATIONS

Some CSUs, like CSULB, SDSU, and SJSU, require students to complete a supplemental application in addition to the university application they submitted in August. Make sure to check your email regularly and complete the application by the deadline. Need help filling out the application? You can meet with a counselor during our drop-in hours. [Drop-in hours](#) are posted weekly on the Transfer Center website.

HAVE YOU APPLIED FOR YOUR ADT YET?

If you completed your Associate Degree for Transfer (ADT) requirements in Summer 2024 or will be completing them in Fall 2024, now is the time to meet with a counselor and submit the [Petition for Graduation](#) if you have not done so already. If you indicated on your CSU application that you have earned/will be earning the ADT, we will electronically verify the degree on your behalf, if you meet all the requirements. If you forgot to include the ADT on your CSU application, speak with a counselor to obtain a paper ADT verification form that will need to be sent to all of the CSUs to which you applied.

DID SOMEONE SAY GUARANTEED ADMISSION? WE SURE DID!

UC Transfer Admission Guarantee

Did you know that 6 of the UC campuses offer guaranteed admission through the TAG program? That's right! Davis, Irvine, Merced, Riverside, Santa Barbara, and Santa Cruz all offer guaranteed admission for the fall term. If you are planning to apply for transfer in Fall 2025 to one of these campuses, you may be eligible!

In order to qualify, you must have completed 30 UC-transferable units by the application deadline, which is **September 30, 2024**. Please note that not all majors at these campuses are eligible to TAG, and each campus has established its own criteria for eligibility and for when the TAG requirements must be met. Please see the [TAG Matrix](#) and attend one of our [UC TAG Application Workshops](#) for additional information. If you are planning to submit a TAG, create a UC [Transfer Admission Planner \(TAP\)](#) account to get started. **Reminder:** In addition to the TAG application, you will need to submit a UC Application by December 2, 2024.
