YOU ARE CORDIALLY INVITED... TO APPLY FOR TRANSFER

October 1st marks the beginning of the Fall 2026 application filing period for the UCs and CSUs. Hooray! What does this mean for you? If you're on track to transfer in Fall 2026, you should be signing up for one of our many workshops to make sure you're meeting eligibility requirements and to learn how to fill out the applications correctly. Workshops are offered both in person and on Zoom. **We highly encourage you to attend a workshop before scheduling a Transfer Center counseling appointment** so that you are better prepared when you meet with a counselor.

Not sure if you're ready to transfer? Need help choosing courses to take in Winter and/or Spring 2026? Schedule an appointment with a counselor to check your eligibility and to plan your final courses.

Note: Transfer Center counseling appointments are limited. Please plan accordingly and do not wait until the last minute, as there may not be any appointments available.

THERE'S STILL TIME TO GET GUARANTEED ADMISSION TO A CSU

If you graduated high school in 2025, you can get future guaranteed admission to the CSU and major of your choice through the Transfer Success Pathway (TSP) program!

Want to learn more about this pathway and find out if you're eligible to participate? Create a [CSU Transfer Planner](#) account and if eligible, submit your agreement by **October 31, 2025**.

Please attend one of our [CSU TSP Workshops](#) for additional information.

APPLIED FOR UC TAG?

If you submitted a TAG application to any of the campuses below, it is recommended to wait to submit your UC application until you have received your TAG decision (typically, on or before November 15):

- Davis
- Merced
- Riverside
- Santa Cruz

The other participating UC campuses do not offer pre-evaluation for TAG; therefore, if you submitted a TAG application to one of those campuses, you will not receive a TAG decision in November and should not wait to submit your UC application.

DON'T FORGET TO APPLY FOR YOUR ADT

Whether you already applied to the CSUs for Spring 2026 admission or plan to apply for Fall 2026 admission, you are asked on the application whether you will be earning an Associate Degree for Transfer (ADT). If you indicated that you will be earning an ADT, and you will be completing the degree requirements this semester, now is the time to meet with a counselor and submit the [Petition for Graduation](#) if you have not done so already.

Note: We can only electronically verify the degree on your behalf to the CSUs if you meet all the requirements and if you have applied for the degree.
